## Curriculum Cymreig

Castle School acknowledges the relevance and importance of a Curriculum Cymreig and seeks to help pupils understand and celebrate the distinctive quality of living and learning in Wales in the twenty-first century. They will be encouraged to identify their own sense of Welshness and to feel the sense of belonging to their local community and country.

Mae Ysgol y Castell yn afreolaidd y pwysigraidd o Cwriculum Cymreig ac yn edrych i helpu disgyblion deall a dathlu bywyd yng Nghymru a ddysgu yng Nghymru yn yr canrif yma. Bydden nhw yn cael y cyfle i archwilio y syniadau a teimladau o fod yn Cymraeg ac i teimlo fel y bod nhw'n rhan o'r cymuned lleol a'r wlad i gyd.
