Organise Your Notes

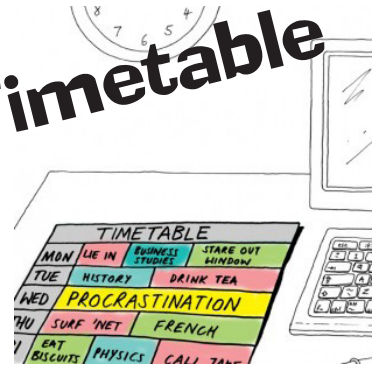
Have you got everything you need? Do you know what it is you have to revise? Getting organised will make a HUGE difference!

Get Some Equipment!

Folders, paper, post-it notes, colours, highlighters, star charts, mind maps..... Be creative!

Make A Plan/Timetable

Making a plan is CRUCIAL!!! Break it all up into manageable chunks. Factor in breaks and fun!



Summarise Your Notes

When you summarise, you learn. Make sure you use a technique that is actually effective for you.

Learn Your Notes

Use as many different ways as possible to learn your notes. Just reading them is totally ineffective!

Read.
Listen.
Look.
Talk.
Do.

Test Yourself

Practice exam papers under timed conditions. Use past papers. Create answer plans. Get your keywords right!

Relax.
Revise.
Repeat.
Review.
Enjoy.
