

## The Start of Something New!

High School Musical 4 is officially happening! Unfortunately, we will not be seeing the old main cast but we will get a whole new one. Disney have released some information on the new characters including Erin, who is the only girl on the soccer team and Derek, the bad boy who is actually is a big softy and even teaches little girls dance classes at his family studio! We get to see a relative of the old cast, Ryan and Sharpay's cousin Campbell, who is the football captain and theatre star. We also get to see Tamara the cheerleader hoping to get back to the top of the East High social pyramid and Nathalie who is Erin's best friend and an East High super fan. We asked a member of our class about how they felt about the new film. "I am very excited about the new film and can't wait to find out the story line, but I am going to miss the original cast."

The casting for the film starts next year but we wait to hear the release date.
