

A Fantastic Sports Day!

Yesterday Castle School had their annual sports day, but for the first time parents were invited and the event was held at Narberth rugby pitch.

Miss Algieri and Mr Davies put together an impressive programme for both the senior and prep schools and had taken everything into consideration, even foul weather. Thankfully they were equally prepared for the scorchingly hot sunshine we were blessed with and proceedings were relocated to the lower field where parents and pupils could benefit from the shade of the stand.

As well as participating in sprint races, shot put, long jump and triple jump, the senior pupils also took part in relays which even involved some of the staff, putting on a final spurt in the last leg of the relay! Mr Scotney snatched victory in an almost photo finish, just pipping Miss Coleman to the post.

We love the serious determination on Megan's face and the look of fear on Luca's!

The prep pupils also had a great day. They took part in sprints, the egg and spoon race, shuttlecock heats, the bean bag challenge, to name a few. But the favourite had to be Señor Rodriguez' (AKA The Spanish One) crazy swinging ball game!

To kick off proceedings in the afternoon, we had staff versus pupils in the Shirley James memorial netball match which resulted in the pupils

winning 6-3. This being its third year, it now puts the pupils in the lead 2-1. The staff are already in training for next year.

However, they did manage to win back a trophy by beating the pupils 2-0 in the football!

The day was finished off, with the fiercely contested Tug of War with Llawhaden house the eventual victors.

The overall winners of sports day were Pembroke House but the house cup is still to play for until the end of term!

We'd like to thank all staff and parents who helped out, and to those parents and pupils who supported the event. Everyone agreed it has been a fantastic day and a huge success and we hope all participants and spectators enjoyed it as much as we did. We hope this will become an annual event to be held at Narberth Rugby Club and we would like to give a special bit thank you to them for the use of their pitch.
